I. PARTICIPANT knowingly and voluntarily assumes all such risks of LOSS and all legal and financial responsibility therefore.

3. By issuing a sanction for the EVENT, USAW is not responsible or liable for the management or conduct of the EVENT, unless USAW has otherwise expressly agreed in writing to serve in such role.

4. USA Wrestling (USAW) is committed to providing a safe environment for its members, participants, coaches, officials and volunteers and to prevent abusive conduct and harassment in any form while participating in the activities of USAW. USAW promotes good sportsmanship throughout the organization and encourages qualities of mutual respect, courtesy and tolerance in all members, participants, coaches, officials, staff and volunteers. Athletes with a strong self-image may be less likely targets for abuse or harassment, similarly, they may be less likely to engage in abuse or to harass or bully others around them.

To this end, USAW has established the following guidelines of behavior. All members of the organization, as well as parents, spectators and other invites are expected to observe and adhere to these guidelines.

Harassment and abuse are defined in various sources such as state law, case law, sports organization and professional association codes of conduct and training manuals, corporate and business workplace documents and human rights commission materials. USAW has not adopted any specific definition of harassment or abuse, choosing instead to defer to such general sources and definitions for reference and

application, depending on the circumstances. As further elaboration of examples given above, the following generally describe conduct that may be considered harassment or abuse.

- Any improper or inappropriate comment, action or gesture directed toward a person that is related to race, ethnicity, national origin, religion, age, gender, sexual orientation, disability or other personal characteristics.
- Creating an environment through behavior or course of conduct that is insulting, intimidating, humiliating, demeaning or offensive.
- Harassment usually occurs when one person engages in abusive behavior or asserts unwarranted power or authority over another, whether intended or not, and may include, for example, name-calling, threats, belittling, unwelcome advances and requests for sexual favors (as well as undue pressure to perform or succeed).
- Harassment includes child abuse.
- Child abuse can include physical contact -- or the threat of it.
- that intentionally causes bodily harm or injury to a child. This may include, for example, hitting, shaking, kicking, shoving, forcing an athlete to wrestle when injured or mandating excessive exercise as a form of punishment. It may also include touching for the purpose of causing sexual arousal or gratification that involves a child, rape, incest, fondling, exhibitionism and sexual exploitation. It may also include chronic attacks on a child's self-esteem, such as psychologically destructive behavior consisting of ridiculing, screaming, swearing, racist comments, threatening, stalking, hazing and isolating.

5. PARTICIPANT releases, waives any claims and promises not to sue the EVENT ORGANIZER and/or USAW with respect to any LOSS incurred during or in connection with his/her participation in the EVENT, any activities associated with the EVENT and the conduct and management of the EVENT (including as may result from the negligence of the EVENT ORGANIZER). Except any LOSS which is the result of gross negligence and/or willful or wanton misconduct by the EVENT ORGANIZER. PARTICIPANT further agrees to hold harmless and indemnify the EVENT ORGANIZER and/or USAW resulting from, any claim brought against the ORGANIZATION and/or USAW resulting from, arising out of or in any way associated with any LOSS.

6. Prior participating in the EVENT, PARTICIPANT shall have the right to inspect the facility and equipment to be used and, if PARTICIPANT discovers any condition which he/she reasonably believes to be unsafe, PARTICIPANT will immediately cause EVENT officials to be notified of such condition and will not participate in the EVENT so long as such condition exists.
